

Are you looking for a new challenge?

**We're looking for a Deputy Ward Manager on Cedars -
37.5 hours per week**

We're looking for an experienced RMN who would like to build their leadership skills on our Cedars ward.

About the role

Our Eating Disorder units are combined into Russell House which encompasses both Cedar and Aspen. The wards provide a full service provision which focusses on positive physical and psychological outcomes.

The duties of the role include but are not limited to:

- Assisting the Ward Manager in providing day to day management and supervision of the ward.
- Assisting the Ward manager in providing management and supervision of a team of registered and unregistered staff.
 - Implementing best practice across the ward.
 - Support changes within the service
 - Responsible for the clinical direction of the service
- Support the delivery of personalised care and contribute to service improvement.

If this sounds like something you're interested in, here's what we're looking for:

Cedars is currently looking to recruit a proactive and enthusiastic Deputy Ward Manager to join their team. Please see below for the person specification:

- Experienced in delivering and receiving supervision
 - Excellent leadership skills
- Ability to assess and prioritise clinical situations
- Excellent written and verbal communication skills
 - Team player
